

## About the company

Ogee Studio designs and builds innovative, break-through user experiences for enterprise Networking & Security applications. UX that differentiate and UX that customers love! Our portfolio is rapidly expanding beyond the Networking & Security domain. In addition, Ogee Studio's business is expanding in new and exciting ways that will benefit those ready for a great opportunity to grow and contribute.

The UX team is seeking talented and passionate designers, who can flourish in a cross-functional team of product managers, designers, developers and other functions. With a focus on individuals and team excellence, ownership, problem solving and freedom to experiment. Ogee Studio will keep you engaged, challenged and constantly learning.

Your Portfolio	Your Experience	Your education
<ul style="list-style-type: none"><li>▪ 2 projects highlighting UX design work for Enterprise web products &amp; mobile applications</li><li>▪ Should showcase execution of UCD activities</li><li>▪ Wireframes showcasing micro &amp; macro interactions</li></ul>	Fresh college graduate and/or max 2 years of experience in IT or design studio	Bachelors or Masters in Interaction Design, User Experience Design, Human Factors, Business Design from a reputed institute

## Work location
